*Two evenings of poetry
and fiction from Aberdeen
and North-East Scotland*

In recent years the literary scene in Aberdeen has been flourishing, and there are probably more active writers' groups in the city than ever before. Come along to this two-part Arts Carnival showcase event to hear some of the best new writing from Dead Good Poets, Aberdeen Writers' Circle, Portal Creative Writers, Anything Prose, Spring Tides Poetry Group, Lemon Tree Writers, and other groups throughout the North-East.
